FOSROC TEST CERTIFICATES

As a world leader in construction solutions, Fosroc can provide independent third party test certificates to prove the performance of a wide range of our products and systems.

Fosroc ANZ utilises reputable third parties including; Australian Water Quality Centre (AWQC), AWTA, Boral, Safe Environments, Cetec, Geotherm Australasia, CSIRO and BRANZ, so you can be confident that Fosroc products are up to the task.

The following tables list the standards and tests that our range of products comply with. For more information, contact your Fosroc representative.

Test certificates are available for download at fosroc.com.au and fosroc.co.nz.
